ALUMNI REUNION 1987-91 BATCH

on

28th February 2020

Alumni Reunion was organised on 28th February, 2020 for 1987-1991 'C' batch of Civil Engineering Students at Sri Konijeti Venkata Ratnam (KVR) conference hall in CED. 26 Alumni from Hyderabad, Bengalure, Kanpur, United States of America has participated in the meet. All teh Alumni are well settled in their chosen field of interest as Professors, Chief Engineers, Managing Directors, etc.

Chairman Dr. K. P. Srinivasa Rao, Ex Chairman Mr. M.B.S. Purushottam and all the members of the department actively participated in the event, particularly faculty Mrs. Saroj Mini, Mr. K. Raghavendhar, Dr. Raghavan, Prof. Nalini Panyam & Dr. Achyuth Rao who taught them.

Alumni had a good interaction with the present 2nd Years, 3rd years and 4th year students and appraised about the vast scope in job prospects and higher studies in India and abroad in specializations like Construction Management, Transportation Engineering and many other fields apart from Structural Engineering. Students were advised by alumni to learn computer languages like python and coding. There were fruitful discussions between alumni and department and alumni has shown interest in helping the institute in the areas of Technology transfer, internships, organizing Guest lectures and Projects. Alumni was very happy by remembering their golden days spent in the college during 1987-91.

There was a light musical session in which they participated and a dance program performed by students from various branches which was enjoyed by one and all. The program concluded with a big thank you from the Alumni to the faculty and college. A memento of love and respect was given by Alumni to the Faculty who taught them. The program was a grand success.

The entire program was possible because of the efforts of Management members, Principal, Vice-Principal, HOD, Alumni Coordinators and the staff of CED.
