

SERB-INAE Workshop on Writing R&D Grant for Women Engineers at Indian Institute of Technology

We are happy to inform you about a unique two-day Workshop on **Writing R&D Grant Proposal for Women Engineers**, under the aegis of INAE (supported by SERB) to be hosted at IIT Tirupati on **Nov 10 & 11, 2022**. The program covers various aspects of research writing aiming to empower women engineers to effectively take up extramural research projects. We are attaching the flyer about the program to this email.

We request you to nominate two **Women faculty members** from your institution to this program. The faculty members nominated should fill the attached application and endorsement form by **01 October 2022**. IIT Tirupati will take care of accommodation, hospitality and local travel whereas it is expected that the participating institute or individual faculty members bear the travel costs to and from Tirupati.

We believe that this initiative will significantly impact the career of women faculty and enhance the visibility of parent institutes. We look forward to your participation.

Thank you.

Regards,
