About MESA

Mesa is a student-run organization, actively connecting the students of Mechanical and Automobile Departments. It seeks to inspire and ignite the creative ideas of students. Several students get opportunities to conduct and show their active participation in various events and inculcate leadership skills through this amazing platform.

It's been another wonderful year at the college to organize good number of events successfully. We are thankful to our faculty for their enormous support in making this happen.

Quote:

"You can't use up creativity. The more you use the more you have."

- Maya Angelou

MESA HIERARCHY

DEPARTMENT OF MECHANICAL ENGINEERING

Department of Mechanical Engineering of the college offers B.E. program in Mechanical Engineering stream and also the department offers a postgraduate program in M.E (CAD/CAM).

VISION OF THE DEPARTMENT

To impart education of highest standards that will prepare students for productive careers as competent professionals in Mechanical Engineering, and for higher studies and research.

MISSION OF THE DEPARTMENT

The department strives to provide the engineering foundation as well as professional, innovative and leadership skills to the students through the following activities:

M1. To lay sound foundation in mechanical and allied engineering areas

M2. To provide a supportive ambience that makes learning joyful and stimulating

M3. To design and develop engineering systems to meet specific needs.

M4. To encourage creativity, and develop communication and entrepreneurial skills

M5. To make aware of societal and professional responsibilities and ethics; and the need for life-long learning

M6. To address contemporary problems of industry and to advance research

EVENTS AND ACTIVITIES BRIEF UP

In this academic year 2020-2021, though the world took a shock with the pandemic but MESA at MVSREC conducted several activities, contests and programs for students who took part in all the events with utmost enthusiasm and activeness. Even with a very small list of activities, students brought laurels to the Department and the college with OU Ranks, a huge placement list, the BAJA event and a lot more which proves the mettle our students.

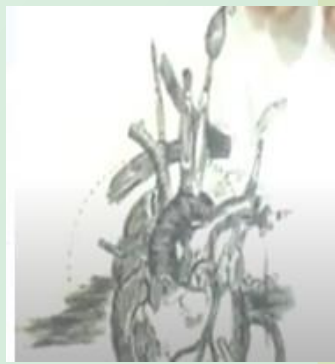

The events conducted under MESA were ably designed and guided by faculty members of the department which encouraged students to come forward to portray and improve their skills. The programs were conducted within the guidance of given pandemic protocols. Thanks to all the faculty members, student coordinators and other staff for being the backbone for successful completion of an indelible academic year.

This News Letter is a tribute to all the hard work, Record of all the activities & achievements and a log book of all the memories of the year 2020-2021. It is also a brief portrayal of the artistic and poetic face of the multi-talented students of Mechanical Engineering department at MVSREC and a motivation to do better in the coming years because "WE CAN NEVER GO BACK AND BETTER THINGS, BUT CAN LEARN HOW TO MAKE THINGS BETTER" following this the students of Mechanical Engineering at MVSREC have been working to better their best day in and day out in all the face

DRAWING & PAINTING

“Every canvas has a story to say and journey to relish”

To encourage the artists in the students MESA organized Drawing and Painting competitions on 28th and 29th of August 2021. Picturing their world of imagination, students disturbed the peace of the judges with their flawless and exquisite drawing and paintings. Thanks to Geeta ma’am who graced the event as a judge and for giving their valuable feedback to our students.

PHOTOGRAPHY

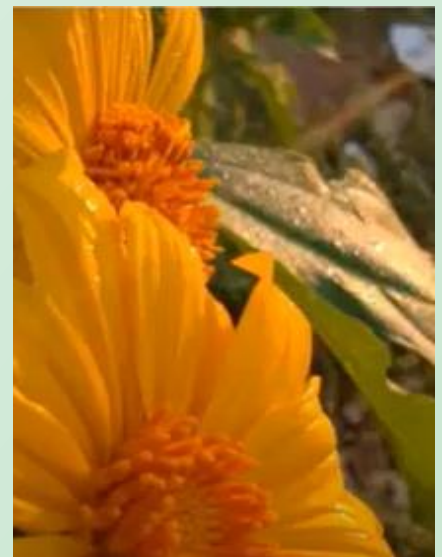

Photography-a language more universal than words.

Our Tech Savvy students have immense interest and profound skill in photography. Be it memorable moments or soul stirring beauty of the nature they capture every moment on camera to hold on to it for their lifetime. MESA conducted a Photography Competition where students presented their best reels for being evaluated.

Vedath Vadlamani and S Koushika secured the 1st and the 2nd position in the event.

PLACEMENTS

B.E. Mechanical students of 2018-2022 batch grabbed the opportunities furnished by our placement cell to get placed. Many Renowned companies gave opportunity to our students work with them, this includes Tata Advanced Systems Limited, Medha Servo Motors, Sundaram Fasteners and a lot more. A total of 36 students got placed in the core companies and in the IT sectors listed be as well .

Total number of students placed: 31

Mechanical Engineering Class Toppers

S.No.	Roll No	Name of the Student	Percentage
1	2451-19-736-005	Sahiti Roshny Boggavarapu	8.66
2	2451-19-736-073	Sarapenta Sai Krishna	9.02

- 2nd Runner- up in IEEE Computer Society worldwide Video Making competition (Theme: Past- Present- Future Technologies)|
- Leadership roles or positions holding currently
- Treasurer- IEEE MVSR Computer Society
- Video Editor - IEEE Hyderabad Section Student Networking Team
- Video Editor - IEEE Hyderabad Section Computer Society team
- Recently selected as Secretary for Society of Automotive Engineering (SAE) MVSR

THANKING.....

MESA expresses its sincere thanks and appreciation to the coordinators for being backbone of the events and for actively participating and supporting MESA to ensure the smooth flow of activities throughout the academic year of 2020-21.

Though the nature has been surprising us this year, MESA successfully completed another wonderful year at MVSREC, giving all of us a lot of memories to cherish and remember and we bid adieu to this year with immense and intense hope of having an eventful year in academic as well as co-curricular activities.

We are thankful to the management of the college, the Principal, HOD, all the faculty members and staff for their support and motivation they have been rendering in these difficult times to the entire student community.

We thank all the students for their active involvement and participation in the conduct of MESA events.
